

5" Cowbell

HPCB2500 / 14468

Features and Benefits

A percussion workhorse that energizes a variety of music genres and styles, our HPCB2500 5" Cowbell possesses a bold, musical character that cuts through the mix whether used for live performance or studio recording. For ease of integration into drum kits or percussion setups, the built-in forged eye-bolt clamp mounts to percussion rods. Powder-coated steel construction ensures dependable performance and consistently great sound.
