

HPWB2700 / 14573

Features and Benefits

A percussion classic that complements a wide range of music genres and styles, our HPWB2700 Woodblock possesses a bold yet musical character that stands out in the mix whether used for live performance or studio recording. For ease of integration into drum kits or percussion setups, the built-in forged eye-bolt clamp mounts to percussion rods. Durable wood construction ensures dependable performance and consistently great sound.
