

Hybrid Classical Guitar Gig Bag

GHC7550CG / 14584

Features and Benefits

Enjoy the protection of a hardshell guitar case alongside the lightweight feel of a gig bag with our Hybrid Series Guitar Bag. Along with a weather-resistant exterior that defends against the elements, the case features a rigid inner shell and thick padding that shield the guitar from impact damage. Soft plush lining safeguards the instrument finish. Two accessories compartments provide convenient access to supplies and tools. Backpack-style straps enable hands-free transportation and a cushioned top handle makes for balanced, comfortable carrying. A two-pull zipper fully opens and closes at either end or any point between for ease of loading and unloading.
