

Discover the Advantage!

Welcome to TMP Pro's 2011 Catalog. Inside you will find a selection of industry-standard audio solutions plus brand new innovations from our finest brands. Whether you are designing a complete audio system for a convention center, or shopping for the latest performance microphones to stock your shelves, TMP Pro has all the products you need right here. We have also included many handy references for you and your clients including a mic application matrix, mixer comparison matrix and Site Survey Checklist. As always, our *three decades of pro audio experience* is just a phone call away. TMP Pro experts can advise you on thousands of products from nearly 120 brands. We have built our business on being a one-stop audio solution, catering to independent MI dealers and large national contractors alike. Give us a call today and experience the TMP Pro Distribution Advantage!
