

Scratch Live Interfaces

The SL 1 and SL 3 connect one or two standard vinyl or CD turntables to any computer and mixer, allowing users to scratch and mix files from Mac or Windows CD or hard drives. The included 12" vinyl records and control CD's each have Serato's exclusive control signal which allows Scratch Live to track the motion of the record.

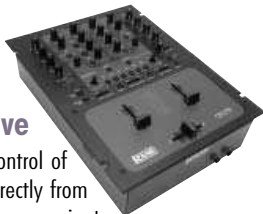

Inv#	Model#	List	M.A.P.
38334	SL1	16-bit/44.1kHz/94dB Dynamic Range/USB1.1	725.00 539.00
