On-Stage Stands Goosenecks

These goosenecks feature solid steel male and female threaded ends and provide for instantaneous repositioning of microphones. Available in Black or Chrome.

Inv#	Model#		List	M.A.P
6571	MSA9030-06B	6" Gooseneck/Black	8.99	4.99
6576	MSA9030-13B	13" Gooseneck/Black	11.99	6.99
6581	MSA9030-19B	19" Gooseneck/Black	13.99	7.99

On-Stage Stands Posi-Lok™ Booms

Add a locking extension to standard mic stands. A 52-teeth design offers a wide range of angle positions. The locking design eliminates the need for counterbalance, thus saving space on stage.

Inv#	Model#		List	M.A.P
6112	MSA9502 7"	Posi-Lok Mini-Boom/Black	18.99	10.99
6113	MSA9503 13"	Posi-Lok Mini-Boom/Black	18.99	10.99
6116	MSA9504 19"	Posi-Lok Mini-Boom/Black	21.99	12.99

On-Stage Stands Mic Stand Accessories

Add functionality to any mic stand. Quick Klips use inserts for instant mic changes. Flange mounts attach to any flat surface. Replacement grilles and windscreens keep mics looking new. Counterweights stabilize boom stands.
