

VP89S/M/L

End-Address Shotgun Condenser Microphones

Professional shotgun condenser microphones for use in critical broadcast and media production applications.

- Scalable, superior off-axis rejection for focus and flexibility in a wide variety of on-site locations
- · State-of-the-art preamplifier design, with superior RF immunity, internal low-frequency roll-off and recessed low-cut filter switch for additional control
- · Interchangeable long, medium, and short barrel options for premium performance in environments ranging from long distance to near-field applications
- Full range of complementary accessories (see sidebar)

End-Address Shotgun Condenser Microphone

Compact and lightweight shotgun with a wide aperture and excellent off-axis rejection for camera-mounted broadcast and media production.

- · Best-in-class audio performance
- · Integrated preamplifier design
- · Economical choice with small footprint; compact and lightweight
- · Superior Shure design and rugged, roadworthy construction
