

Dynamic Shock Mount Mic Clip

MY325 / 11277

HOT SELLER

Features and Benefits

When you're on stage, the last thing that you want to shake, rattle and roll is your mic. Designed to reduce the effects of low-end rumble and floor vibrations, the MY325 features a .625"-27 female threaded brass insert in a heavy-duty plastic base. The 25mm opening holds most name brand dynamic microphones and grips your mic with 35lbs. of pressure.
