

# Deluxe Folding Triple Guitar Stand

GS7321BT / 12022

## Features and Benefits

This Deluxe Folding Triple Guitar Stand combines a stable tripod base with three lower yokes, each aligned above a base leg for maximum stability. The stand's height adjusts to accommodate any combination of electric, acoustic, classical, and bass guitars, or alternatively, mandolins and banjos. Features include hinged security arms on the upper yokes that flip closed to lock necks in place and prevent falls, and EVA foam padding at the contact points to protect guitar finishes. The base and yokes fold down, enabling compact storage and transportation. The overall height of the stand is designed to keep guitar's within arm's reach at standing height.
