

Drum / Amp Mic Stand

MS7311B / 12649

M20 THREADED

Features and Benefits

A heavy, casted tripod base gives this stand the stability of much larger models, while its compact shape makes for easy positioning in those tight on stage spaces. Solid steel machined lug with M20 threading provides an excellent combination of fast assembly and secure connection, while extending thread wear far beyond fine-thread designs.

Specifications

- Height:** 18"-26.5"
- Boom Length:** 17"
- Base Spread:** 6.5"
- Base Weight:** 7 lbs.
- Color:** Black
