NEW PRODUCT

Features and Benefits

Our DSA8000 Microphone Cleanser efficiently freshens mics and other equipment used by DJs, karaoke hosts, venues, and studios. Effective in reducing the spread of germs and bacteria, the cleanser leaves behind no smell or residue to preserve the original character and finish of gear. The compact fine-mist spray bottle enables easy application and can be stored in accessory pockets for convenient access. For use with delicate electronic devices, the cleanser can be safely and effectively applied with a cloth.
