

Striped Bass Guitar Bag

GBB4770B / 14713

Features and Benefits

The GBB4770S Striped Bass Guitar Bag delivers reliable guitar protection for safe storage and transportation. Along with a weather-resistant exterior that defends against moisture, the case features padding that prevents impact damage and a smooth lining that safeguards the instrument finish. Two accessory compartments provide convenient access to supplies and tools. Backpack-style straps enable hands-free transportation and a cushioned top handle makes for balanced, comfortable carrying. For ease of loading and unloading, a two-pull zipper fully opens and closes at either end or any point between.
