

# GUITAR/KEYBOARD STOOL WITH HANGER

DT8500v2 / 14984

## FEATURES AND BENEFITS

Introducing the On-Stage DT8500 Guitar/Keyboard Stool, a versatile solution for sitting and playing. The DT8500 has been updated to include the built-in guitar hanger on the backrest of the stool. The 12" padded seat cushion provides firm yet soft support and weight distribution for comfort and reduced fatigue while playing your instrument. The height of the seat adjusts from 21.25" to 30.5", so that you can dial in your preferred playing posture. The 16.5" footprint provides a sturdy solution for sitting on stage, at rehearsals, or even just in your down time.
