LA-403
Universal Behind-the-Head Stereo Headphones

Product Overview:

The LA-403 universal behind-the-head stereo headphones provide excellent sound quality with a comfortable fit. Designed for the listeners who wear hard hats or are concerned about "headphone hair."

The headphones can be used with the integrated neck loop/lanyard around the neck via the shorter connection cable or with the belt clip, or concealed in a pocket using the included 3.5 mm extension cable.

The hard plastic can be easily and hygienically cleaned and reused using a Listen disinfecting wipe (LA-901 or LA-902).

Disposable foam cushions (LA-167) are available for easy replacement.

Highlights:

- Dual headphones
- Reduces external sounds
- Easy to clean and sanitize
- High quality audio
- Freedom of movement
- Works with integrated neck loop/lanyard
- Eliminates cable tangling because cable is shorter

Includes:

One (1) LA-403 Universal Behind-the-Head Stereo Headphones
One (1) LA-434 Earphone Extension Cable

Architectural Specification:

The LA-403 Universal Behind-the-Head Stereo Headphones shall provide an audio response of 20 Hz to 20 KHz with an impedance of 32 ohms. The device shall be easy to put on, easy to clean and shall provide a cable length of 13 in (33 cm) that reduces cable tangling. The device shall have replaceable ear cushions and option sanitary covers. The LA-403 is specified.
