

EVE F-50Z

EVE F-50Z is an LED Fresnel fixture that shines a soft-edged, warm white spot and features [D-Fi™ USB](#) compatibility for wireless master/slave or DMX control. It's designed for mobile and installation applications. Manual zoom gives you the flexibility to project from any distance. You can operate EVE F-50Z in standalone mode eliminating the need for DMX control and you can save time running extension cords by power linking multiple units.

Highlights

- Stylish, compact Fresnel perfect for small to medium stages and theatres
- Warm white LED with high CRI show the true natural colors of scenery and cast
- Flexibility to project from any distance using the manual zoom
- D-Fi™ USB compatibility for wireless Master/Slave or DMX control
- powerCON®-compatible power input/output connections for power linking
- Included Barn Doors keeps light where you need it
- Included Gel Frame adds a splash of color to any scene
