## Mylo Mini Bi-Color Portable Field LED Light Travel Kit

ONE SHEET

### Overview

Ikan's Mylo Mini MB4-TK LED light offers a wide variety of lighting options within a compact package for cinematographers. The high 95+ CRI LEDs provide high color fidelity with a consistent brightness from/between 10-100%! The 50-degree beam angle makes it easy to light a large area with just one fixture.

The Mylo MB4-TK Bi-Color LED light is equivalent to a 400 watt incandescent light. Durability and versatility are key features of this impressive LED light. As for power, an AC power supply and two Sony "L" batteries for DC power come with this incredible light package. On the back, the large yellow knob allows you to adjust the light's brightness or color temperature with a few simple clicks. Ikan's reliable barn doors are included to shape the light as needed.

The LED readout also provides very precise measurements. The Mylo MB4-TK Bi-Color 3200K- 5600K LED light is ready for any production.

**MB4-TK** | Mylo Mini Bi-Color Portable Field LED Light Travel Kit | **UPC Code:** 847983021055
