

Vertical Lacer Strips - **UPDATED!**

Perforated steel lacer strips mount vertically to rackrail brackets and provide many locations for securing cable ties. Lacer strips can be cut down easily to smaller sizes. **NEW** LACE-OWP and LACE-OP strips feature tie posts for sliding on pre-wrapped cable bundles using cable ties or up to 3/4" wide Velcro® straps. Some lacer strips also accept cage nuts or mounting of select power strips for increased versatility.

Part #	Description	Qty	Compatible Options
