

STS2 Table Top Stand

The STS2 stand supports loudspeakers on any flat surface. The versatile design allows the speaker to be secured at either a forward or backward tilt. Screws are included for attachment to MS101II, MS202II, MSP3 and MSP5A.

The STS2 is sold as a single unit.

BMS10A Microphone Stand Adapter

The BMS10A adapter provides microphone stand mounting for loudspeakers up to 11 lbs. The BMS10A fits the 5/8"-27 thread standard and comes with a 3/8"-16 European adapter. The BMS10A includes screws to attach MS101II, MS202II, MSP3 and MSP5A speakers. Additionally, the BMS10A will support the Yamaha MG10/2 and MG8/2FX mixers.

The BMS10A is sold as a single unit.
