

## J Series Jumpers

J series jumpers connect power modules, providing AC power to all modules on the same circuit.

Pre-terminated jumpers feature convenient genderless 30 Amp connectors at both ends and are sold in packs of six.

Part #	Jumper Length	Termination	Qty
<b>J-12X6</b>	12"	connector on each end	<i>sold in packs of 6</i>
<b>J-24X6</b>	24"	connector on each end	<i>sold in packs of 6</i>
