

SH-Series LITTLE BRO' Non-Locking 6 x 2 Sub-Snake

SH Model Features:

- Compact design has Six Mic Sends and Two Multipurpose balanced 1/4" Sends.
- Makes an excellent drum snake. The 1/4" sends can be used as a headphone out, or for sending line out
- signals from a drum module
- Use in in the Studio and send two separate stereo monitor feeds back to the musicians.

Here are some illustrations showing two possibilities for the Little Bro Sub Snake.
