S(F)3	5.25"	2.25"
S(F)4	7.00"	4.00"

Architects' and Engineers' Specifications

- S/SF Series Security Covers shall be MAP part # S-X or SF-X (X=rack spaces required.)

- The S/SF shall be constructed of the following materials:
    1. Panel shall be 16 gauge steel (one piece construction).
    2. In order not to mar protected equipment, rubber edging shall be used.

- S Series allows unobstructed view of knob settings
- SF Series allows sight of LED's (most secure).

OPTIONS
- Use our security rack screws to enhance level of security (Model HS and HTX.)
