Heavy Duty Dynamic Gooseneck

[119S Series](#)

Heavy-duty cardioid directional paging microphone (1 DPDT sealed switch)

- For fixed paging applications such as fast-food restaurants, supermarkets, gas stations, busing and transportation, commercial facilities and dispatch.
- Cardioid-directional pickup for maximum rejection of feedback or unwanted ambient noise. Should require up-close, focused attention by user.
- Available with heavy-duty goosenecks and heavy duty mounting flange
- Solid brass machined head, polished, and chrome plated
- Broad rising frequency response tailored for speech intelligibility and communication
- Low impedance
- Internal shock mount
- Switch wired normally open
