**Top Options - *UPDATED!***

Top options accept 4-1/2", low-profile 6" or 10" fans for Active thermal management. Vented pagoda tops maintain enclosure temperatures through natural convection while minimizing the amount of dust and debris that can fall into the rack, and adds 1-1/2" to the top of the rack. Solid, slot pattern vented, vented and cable ladder adapter tops also available. All tops (excluding MV-PVT and MW-LA) include a removable two space service plate. Allows removal of top without disrupting cable bundles.

Fits WRK, MRK, VRK, VMRK, DRK Part #	Fits WMRK, ERK, SCRK Part #*	Style
MW-4FT	ERK-4FT*	mounts four (MW-4FT) or three (ERK-4FT) 4-1/2" fans
MW-6FT	ERK-6FT	mounts three (MW-6FT) or two (ERK-6FT) 6" fans
MW-10FT	ERK-10FT*	mounts one 10" fan
MW-VT	ERK-VT*	slot pattern vented
MW-DT <i>NEW</i>	ERK-DT <i>NEW</i>	Duct cool adapter
MW-LVT	--	large perf vented, 64% open area
MW-ST	ERK-ST*	solid
MW-LA	--	accepts 6", 9" and 12" <a href="#">cable ladders</a>
MV-PVTxx	--	vented pagoda top; MRK, VRK, VMRK only

NOTE: black finish is standard, for granite gray finish, suffix part number with 'GY', for light gray suffix with 'LG' xx = depth of MRK, VRK and VMRK only (26", 31", 36" or 42")

**Integrated Fan Tops**

Save time with integrated fan tops! Ships assembled. Integrated fan tops include 10", low-profile 6" or 4-1/2" fans, fan guards and optional proportional speed thermostatic fan controller, which increases fan life and reduces noise and maintenance.

*proportional speed thermostatic fan control regulates fan speed proportional to heat inside enclosure*

MW-4QFT-FC

Part #	# of fans	Fan Controller	Fits	Free Air CFM
MW-4QFT-FC	four 4-1/2" quiet fans	included	WRK, MRK, DRK, VRK, VMRK Series	200
MW-10FT-FC	one 10" fan	included	WRK, MRK, DRK, VRK, VMRK Series	550
MW-4FT-380CFM	four 4-1/2" fans	optional	WRK, MRK, DRK, VRK, VMRK Series	150
MW-6FT-660CFM	three 6" fans	optional	WRK, MRK, DRK, VRK, VMRK Series	660
			WRK, MRK, DRK, VRK, VMRK	

MW-10FT-550CFM	one 10" fan	optional	Series	550
ERK-4QFT-FC*	3 quiet fans	included	ERK/SCRK Series	150
ERK-10FT-FC*	one 10" fan	included	ERK/SCRK Series	550
ERK-4FT-285CFM*	four 4-1/2" fans	optional	ERK/SCRK Series	285
ERK-6FT-440CFM*	two 6" fans	optional	ERK/SCRK Series	440
ERK-10FT-550CFM*	one 10" fan	optional	ERK/SCRK Series	550

\* NOTE: Black finish is standard, for granite gray finish suffix with 'GY', for light gray suffix with 'LG'

### Universal Front Doors

Offered in lightly smoked plexiglass, fully vented, vented plexi, **NEW** large perforated vented and solid configurations. Beveled corners provide a stylistically modern appearance, while hinging either left or right. Large perf door has 68% open area, regular perf vented doors have 22% open area. Black textured powder coat finish. Includes keylock.

Part # (fits WRK/ MRK/ VRK/ VMRK/ ERK/ DWR/ SR)					Number of Rack spaces

### Universal Side Panels

Our SPN series side panels fit all WRK, MRK, VMRK and VRK, series enclosures. These side panels feature stylish beveled corners to match the aesthetics of the enclosure, easily lift on and off, and include an internal locking kit. Black textured powder coat finish. Sold in pairs.

Part #	Fits WRK, MRK, DRK, VRK, VMRK
SPN-54-312	fits VMRK-54 only (4 pcs.)
SPN-44-36	fits MRK-4436 and DRK19-44-36
SPN-40-36	fits MRK-4036
SPN-44-312	44 space 31" and 32" deep
SPN-40-312	40 space 31" and 32" deep
SPN-37-312	37 space 31" and 32" deep
SPN-24-312	24 space 31" and 32" deep
SPN-44-267	44 space 26" and 27" deep
SPN-40-267	40 space 26" and 27" deep
SPN-40-423	40 space 42" and 43" deep
SPN-37-267	37 space 26" and 27" deep
SPN-24-267	24 space 26" and 27" deep
SPN-44-423	44 space 42" and 43" deep

User-installed keylock option for additional security now standard on all universal side panels

### Inner Platform Base & Caster Base

#### Inner Platform Base

Provides a handy platform flush with bottom rackspace for supporting heavy equipment and mounting electrical boxes.  
Fits inside rack.

#### Caster Base

With a 1300 lb. capacity, our commercial grade caster bases are equipped with heavy duty non-locking 3" swivel wheels and are UL listed in the US and Canada. NEW fine floor caster bases now available with a 700 lb. weight capacity. Each base comes with its wheels preinstalled to save time, fits *inside* rack, and raises total rack height only 3/4". Caster base works with LF leveling feet.

*Note: Inner platform base and caster base do not fit VMRK-54 and VRK-44-31H racks.*

### High CFM Split Rear Doors - **NEW!**

Protect equipment from the damaging effects of heat from servers, NVR's and DVR's with the adjustable 6 fan High CFM Rear Door. This cupboard style split rear door pulls hot air from the rear of the cabinet and directs it up towards return air ducts. Fan placement is adjustable for optimal airflow and up to 10 additional fans can be added for 3,520 CFM of free air movement. Two adjustable half blank panels included for versatile fan arrangement. Additional half blank panels are available for greater control of fan placement.

Part #	Fits	Additional 1/2 Blank Panels (qty. of 4)	Free Air CFM

\* Fits WRK, MRK Series enclosures  
 \*\* Fits ERK Series enclosures only

Fully vented split rear door saves space when working behind the rack

### Selectively Vented Rear Door

The rear doors on our enclosures are now configurable for enhanced thermal management

- Configurable rear doors provide additional thermal management
- Field configurable to easily accommodate changing requirements
- Fan, vent and filter kits available to solve both active and passive thermal management

challenges

- For [WRK](#), [MRK](#), and [ERK](#) series enclosures
