BWS50-190

Wall mount bracket
 MSR100 (sold in pairs)

[▶ Features](#) [▶ Brochure](#)

Wall mount bracket for MSR100

The BWS50 Series allow mounting of loudspeakers weighing up to 4 lbs. The Yamaha MSR100 speaker, these mounting brackets can easily accommodate most speaker systems as well.

Collars

Collars on both ends of the bracket allow 360-degree rotation. Additions in the shaft of the bracket swivels over 200 degrees (in 6-degree increments). Flexibility like this allows an endless possibility of mounting positions to attain the desired coverage.

Total length

7-7/16" (Sold in pairs; price per pair)

Weight

1.2 kg. 2 lbs., 10oz.
